9] Stocktaking: Procedural Guidelines

9.1] Introduction

The library of any Constituent goes on becoming reached, year by year, due to the addition of new library resources. It is necessary to verify the stock in the library periodically, to identify the losses of resources, misplaced resources, the resources needing maintenance etc. The Stock Verification exercise shall be carried out as per the norms prescribed below:

- i. **Annual** stock verification- When the number of books in the library is **less than thirty Thousand** (30,000).
- ii. **Biannual** stock verification- When the number of books in the library is **more than thirty thousand** (30,000).
- iii. **Annual** stock verification- After the installation of Radio Frequency Identification (RFID) system in all Constituent

Note: The stock verification activity shall be undertaken **annually** by all the Library irrespective of the number of books. All the Constituents shall try to install RFID system as early as possible. Particularly for those libraries having more than 30000 books.

The schedule of the stock verification of the library shall be prepared by the University Librarian/ Library In-charge, in consultation with the Head of the respective Constituent. The sufficient manpower required for stock verification shall be provided by the Head of the Constituent. The Stock verification shall be, generally, carried out during the long vacation (April/ May/ June when semesters are over). The users of the library shall be requested, by the University Librarian/ Library In-Charge, to return the library resources before the stock verification process begins. The University Librarian/ Library In-Charge shall verify the stock of the library, with the help of other members recommended by the Head of the Constituent, and make a detailed report of the stock verification in the prescribed format, to the respective Head. The stock verification reports of the libraries can be used in enrichment of the library.

The library shall remain closed during the period of stock verification and it shall be notified to all the users of the library by Librarian/ Library In-Charge.

9.2] Procedure for stock verification

Stock verification shall be done through computer only by scanning each item physically. The University Librarian/ Library In-Charge shall:

- i. make a list of accession numbers of all available books/ resources in excel sheet;
- ii. scan accession number of the book through barcode reader or if the library has RFID, then it shall be done through the handheld reader. (In case of handheld reader librarian has to cross telly the number of books available in the rack and counted by a reader);
- iii. arrange these accession numbers in ascending order;
- iv. send the sheet to KOHA service provider's support team (The support team shall send verification report. Librarian/ Library In-Charge shall Cross tally the report with the existing stock); and
- v. prepare final report in the prescribed format. (Annexure 9)

9.3] Action on the stock verification

The University Librarian/ Library In-Charge shall submit the stock verification report to the Vice Chancellor/ Head of the respective Constituent for the placing it before the Library Committee. The Vice Chancellor/ Head of the respective Constituent shall place the report before the library committee for discussion and approval.

The report approved by the library committee of the Constituent shall be sent to the University Librarian for information and record. The University Librarian may convey his/ her suggestions, if any, to the respective Head of the Institute, for the betterment of the stock verification process.

9.4] Damage and/ or Loss of Publications

The Librarian and Library staff is not just the custodian of the library, they have to play a larger role in the library. They are the Information manager and facilitator to the users of the library. Sometimes they are required to keep the library open beyond the scheduled time and sometimes on holidays also. They need the help of additional temporary staff (Skeletal staff) when the working of the library is heavy and for a time period extended beyond the scheduled time.

The damage and/ or loss of publications in a library is a usual matter. It may be due to any one or more following reasons:

- i. Physical handling and Environmental Conditions ;
- ii. Wear and tear of books due to frequent/ overuse;
- iii. Open access practice in libraries;
- iv. Non-receipt, loss/ damage of pre-paid periodicals in Postal transit (Which cannot be replaced by publishers);
- v. Theft;
- vi. Inadequate security system;
- vii. Inadequate library staff to monitor all the sections of the library; and
- viii. Any other reason for damage or loss, etc.

9.5] Preventive Measures to be taken:

The Head of the Constituent and the University Librarian/ Library In-charge shall take the following preventive measures to protect the publications in the library from any kind of damage/ loss.

They shall:

- i. make necessary arrangements in the library for protecting the publications from environmental conditions;
- ii. make necessary arrangements for proper monitoring of all the publications in the library;
- iii. make necessary arrangements for installing CCTV with monitoring system, electromagnetic gadgets, wire meshed windows, wicket gate, proper security system;
- iv. take special care for the protection of the rare books and specialized collections;
- v. take any other appropriate measures to prevent the publications from damage/ loss;

9.6] Guidelines for write off of publications:

The University Librarian/ Library In-Charge shall find out the preliminary reasons for the damage/ loss of a publication after the stock verification and he/ she shall make a separate report of damage or loss to the Vice Chancellor/ Head of the Constituent along with the stock verification report. The Vice Chancellor/ Head of the Constituent shall place the same before the library committee. The Library Committee shall consider the report and direct the University Librarian/ Library In-Charge to replace/ write off or forward to the Board of Management as per the following policy:

- i. A publication may be considered as lost only when it is found missing in two successive stock verifications;
- ii. The loss of five volumes per One Thousand (1,000) volumes issued or consulted in a year may be taken as reasonable (Rule 194 GFR 2005 and Rule 215 GFR 2017);
- iii. If the loss of books is more than the permissible extent, the causes of such loss may be investigated by the separate committee appointed by the Library Committee; and
- iv. The Vice Chancellor/ Head of the Constituent shall direct University Librarian/ Library in-Charge to write off the loss of publication if it is **less than or equal to** the value of the damaged/ lost publication mentioned in the table below for different categories.

National Publication The value is in Rupees			International Publication The value is in Rupees		
Text Book	Gen. Book	Ref. Book	Text Book	Gen. Book	Ref. Book
2000	3000	10000	3000	5000	15000

- v. When the value of damaged/ lost publication **exceeds** the amount mentioned in the above table for different categories, the matter shall be taken to the Board of Management (BoM) for the decision, through the University Librarian.

9.7] Procedure for Write Off

The University Librarian/ Library In-Charge shall follow the procedure for 'Write Off' of the publications as given below.

The University Librarian/Library In-Charge shall:

- i. list the publications not found during two successive stock verification processes;
- ii. compare with the list of earlier stock verification to identify common entries;
- iii. compare losses with borrowing/ consulting/ photocopying statistics ;

- iv. put up the list of damaged/ lost publications before the library committee with detailed remarks for the damage/ loss (due to wear and tear, physical handling, environmental conditions, theft, non-receipt etc.);
- v. get the approval from the Library Committee/ Board of Management (BoM) to write off;
- vi. make necessary remarks in the accession register, write-off register, assets register, etc.;
- vii. change the status in the database; and
- viii. take any other required measure.
