Symbiosis School of Biological Sciences

National Nutrition Week 2018

Theme: "Ensuring focused intervention on addressing under-nutrition during first 1000 days of the child: Better Child Health"

Symbiosis School of Biological Sciences in collaboration with Indian Dietetics Association (IDA), Pune chapter had organized a CNE to celebrate the National Nutrition Week on 7th September 2018. The CNE delivered an insight on diverse topics in Pediatric Nutrition by eminent speakers. Certificate of participation and a delegate kit were provided to all registered candidates. Over 115 delegates (practicing dietitians and students) participated enthusiastically in the CNE.

Topics for the CNE were as follows:

Topic	Speaker
1000 days - Pediatric Perspective	Dr. Suhas Jog Associate consultant in Pediatrics KEM Hospital, panel Consultant at DMH and Sahyadri Hospital, Pune
Breastfeeding - Best feeding	Dr. Vaijayanti Patwardhan Consultant Gynaecologist & Project Co-ordinator, KEM Hospital Research Centre, Pune
Lactation management: Handling practical problems through case studies	Ms. Amrita Desai Asst. Manager- Lactation Cloudnine Hospital, Pune
Complementary feeding: Building the foundation for life	Ms. Vaishali Madkaikar, Consultant Pediatric Nutritionist Deenanath Mangeshkar Hospital, Pune Founder, Nutrition Hub
