PLACEMENT REPORT 2021: M. Sc. Biotechnology Program

Placement Cell at Symbiosis School of Biological Sciences

The purpose of placement cell at SSBS is to provide the students with post-studies guidance in finding appropriate jobs. The cell will act as a bridge between the students and the industries/organizations which have positions suitable for the candidates passing out with M.Sc. degree from SSBS.

For this purpose, placement committee is formed each year with the following members:

Placement In-charge:

I.Dr. Rashmi Tupe, Associate Professor, Biotechnology Program

Some of the activities to be conducted under the Placement Cell are as follows:

- To orient the students to various areas of Biotechnology. This is done by arranging the various Guest lectures from industry experts and Alumni talks.
- To conduct the Finishing School where guest speakers from industry or institutes will be invited to where the Guest speaker /alumni is expected to enlighten the students to the job profile in their specialized domain and expected skill sets etc. The soft skills session are arranged such as "Importance of Communication skills for better job opportunities".
- To organize campus interviews for the students and manage their final semester project placements at government research institutes as well as industries all over India.
- To prepare students to face campus interviews by arranging training in aptitude tests, group discussions, preparing for technical and HR interviews through professional trainers.
- To maintain communication with industries through guest Lectures, industrial visits, etc.

Procedure for placements followed:

1. Companies contact SSBS OR SSBS contacts various firms.
2. Email communication for campus recruitment drives sent and received.
3. Approval from Director of the institute taken.
4. Students informed through email communication and orientation.
5. Date mutually decided with the firms.
6. Students appear for campus recruitment drive.
7. Email communication for selection of candidates sent by company to SSBS.
8. Offer letters sent to students by company.* Offer letters are sometimes sent later by companies, however email communication is sent first to students with a copy to SSBS.

*Interviews may also be arranged through Skpe or Students may be sent to firms with prior interview appointment or as walk in.

E-mail Communication for campus placement to the students and companies

Dear Alumni

Hope you are safe and doing well. Please find below an email from Dr. Rashmi Tupe who has recently joined SSBS as a faculty and looking after placement activities. The email is regarding a job opportunity. If you are interested, you can directly write to her (rashmi.tupe@ssbs.edu.in) before the mentioned deadline.

Let's also congratulate Ajinkya Kulkarni for getting placed at Serum Institute through similar placement activities of SSBS!

Best wishes
Ram

Dear Dr. Rashmi,

We hope your students are all set for Chegg's campus hiring drive!

As we look forward to the event, we feel it is necessary to list out all instructions for this event.

We are confident that all participating students will abide by these.

Date – 19th Nov 2020

Time – 11:00 Am Onwards

Mode- Online

Plan for the day:

1. Online Test (includes a multiple-choice-question subject test)
2. Document Submission

NOTE - It shall be mandatory for all participating students to bring softcopies of the following:

- a. College ID Card
- b. UG degree OR final semester marksheet in case of PG students and latest marksheet from college in case of UG students
- c. Bank A/C details and PAN Card
- d. Proof of Address (Any one of the three)- Driving Licence / Voter Id / Aadhar Card.

Online test will have to be attempted through PC/Laptop, as mobile responsiveness is limited.

Avg. time taken by candidate to complete Recruitment/Online Test process ☐ 1 – 1.5 hours

Online Test link - <http://bit.ly/SymbiosisBiology>
(Share the test link on the date of drive only)
Referral code for Online Test (Mandatory) - SSBSPH22020
Video to play before starting Online Test- <https://youtu.be/PTfmngYzRo-8>

Please feel free to write back in case of any query.

Thanks and Regards!

Placements Nutrition and Dietetics Program

Name of company : IThrive Company ,Pune

Mode of Interview : Watsapp videocalls

A brief about the company:

Rhyme

In Functional Nutrition we zero in on the root cause of your health problems, and resolve it from the root and thereby eliminate the disease. It is an evidence-based, science-backed, holistic wellness approach that considers essential aspects such as your daily habits, blood tests and other health metrics, your environment and then concluding on root causes before giving any nutritional guidance. The revolutionary techniques of functional nutrition feature a customised healing process for every patient.

Meet Mugdha Pradhan
Functional nutritionist and founder of Thrive

A functional nutritionist and a TedX speaker, Mugdha Pradhan is the founder of ThriveFNC. Despite having a Master's degree in Food Science and Nutrition, her own health took a nosedive in 2017. That's when she discovered Functional Medicine. Using modern principles of functional medicine along with ancient wisdom about food, she delved into the root cause of her health issues and recovered from a multitude of health problems.
